

Conference Program

07:30		Registration		
08:15		Opening of the Symposium		
	Tuesday June 10	Wednesday June 11	Thursday June 12	Friday June 13
08:30		Keynote Presentation S. BERETTA		
09:00		Session 1 - Introduction Fracture Mechanics, Castings, VHCF	Session 5 DVM/SF2M Evaluation of constructional Manufacturing Defects with regard to structural Fatigue	Session 9 Fatigue Crack Growth and Thresholds at Defects
09:30				
10:00		Coffee Break Poster Session		Coffee Break Poster Session
10:30				
11:00		Session 2 Probabilistic model	Coffee Break Poster Session	
11:30			Session 6-1 Non-Destructive Examination	Session 10-1 Very High Cycle Fatigue
12:00			Session 6-2 Surface Defects	Session 10-2 Corrosion and welding defects
12:30		Lunch Restaurant close to Chimie ParisTech		Close for Symposium
13:00			Lunch Restaurant close to Chimie ParisTech	
13:30				
14:00		Session 3 Fatigue and Defects in Castings	Session 7 Fatigue Crack Growth and Thresholds at Defects	
14:30				
15:00				
15:30				
16:00		Refreshments	Refreshments	
16:30		Poster presentation - Amphi Friedel		
17:00		Poster Session 4 A- Fatigue and Defects. B- Defect Distribution and Characterisation C- Fatigue Crack Initiation and Growth D- Fatigue Design against Defects	Session 8-1 Microstructural effect	Session 8-2 Multiaxial stress effect
17:30				
18:00	Registration Welcome desk			
18:30		Guided Tour in Paris Departure from the Conference Welcome desk	Get together	
19:00				
19:30				
20:30			Symposium dinner on the Seine river Poster Award during the dinner Departure Quai Branly Paris	
21:30				
22:30				
	Amphi colour code:			
	Amphi Friedel	Amphi Chaudron	Welcome desk	Main Hall
